Regeneration Line

The original CELL29 line for post-procedure recovery and aging concerns.

REGENERATION PROGRAM 1

Aging & Wrinkle Care

For wrinkles and loss of firmness

Targeted care for dryness, roughness and fine lines

HOW TO USE

- 01 Spray **RIVERON COLLAGEN AMPOULE MIST** evenly over your face.
- 02 Apply **WTS CELLKEY SHOT** to your face, **avoiding the eye area**.
- 03 Once the previous product has absorbed, apply **EXORECURE AMPOULE**.
- 04 Apply **RIVERFILL CREAM** evenly.
- 05 Finish with **PRECTIVE SUN-RECOVER**.

TIP Use WTS CELLKEY SHOT only 1–2 times a week.
EXORECURE AMPOULE contains exosomes and 830,000 ppm collagen water.

REGENERATION PROGRAM 2

Post-Procedure Care

For sensitive skin after laser treatments or peels

An essential routine to soothe skin during recovery.

HOW TO USE

- 01 Spray **RIVERON COLLAGEN AMPOULE MIST** evenly over your face.
- 02 Apply **EXORECURE AMPOULE** evenly.
- 03 Apply **RIVERFILL CREAM** where needed.
- 04 Finish with **PRECTIVE SUN-RECOVER**.

TIP For initial post-procedure care, use RIVERFILL CREAM twice daily, morning and evening.
Apply PRETECTIVE SUN-RECOVER before going outdoors, even when using REPASIVE BLEMISH BALM.

Brightening Line

Care for dark spots and dullness while supporting the skin barrier.

BRIGHTENING PROGRAM 1

Dark Spot Care

For dark spots and pigmentation

Targeted care for areas with dark spots.

HOW TO USE

- 01** Spray **RIVERON COLLAGEN AMPOULE MIST** evenly over your face.
- 02** Apply **WTS CELLKEY SHOT** where needed.
- 03** Apply **ILLUNA-EX BOOSTER** evenly.
- 04** Apply **POTENCY CREAM** evenly.
- 05** Finish with **PRETECTIVE SUN-RECOVER**.

TIP Use WTS CELLKEY SHOT 1–2 times a week on areas that need targeted care.

BRIGHTENING PROGRAM 2

4-Week Tone Care

For a dull-looking complexion

A 4-week routine for overall skin tone.

HOW TO USE

- 01** Use **PHYTOPEEL**, then rinse with water.
- 02** Apply **EXORECURE AMPOULE** evenly.
- 03** Apply **ILLUNA-EX BOOSTER** evenly.
- 04** Apply **POTENCY CREAM** evenly.
- 05** Finish with **PRETECTIVE SUN-RECOVER**.

TIP Rinse off PHYTOPEEL with water. Follow with EXORECURE AMPOULE.

GEN-3 Hydration Line

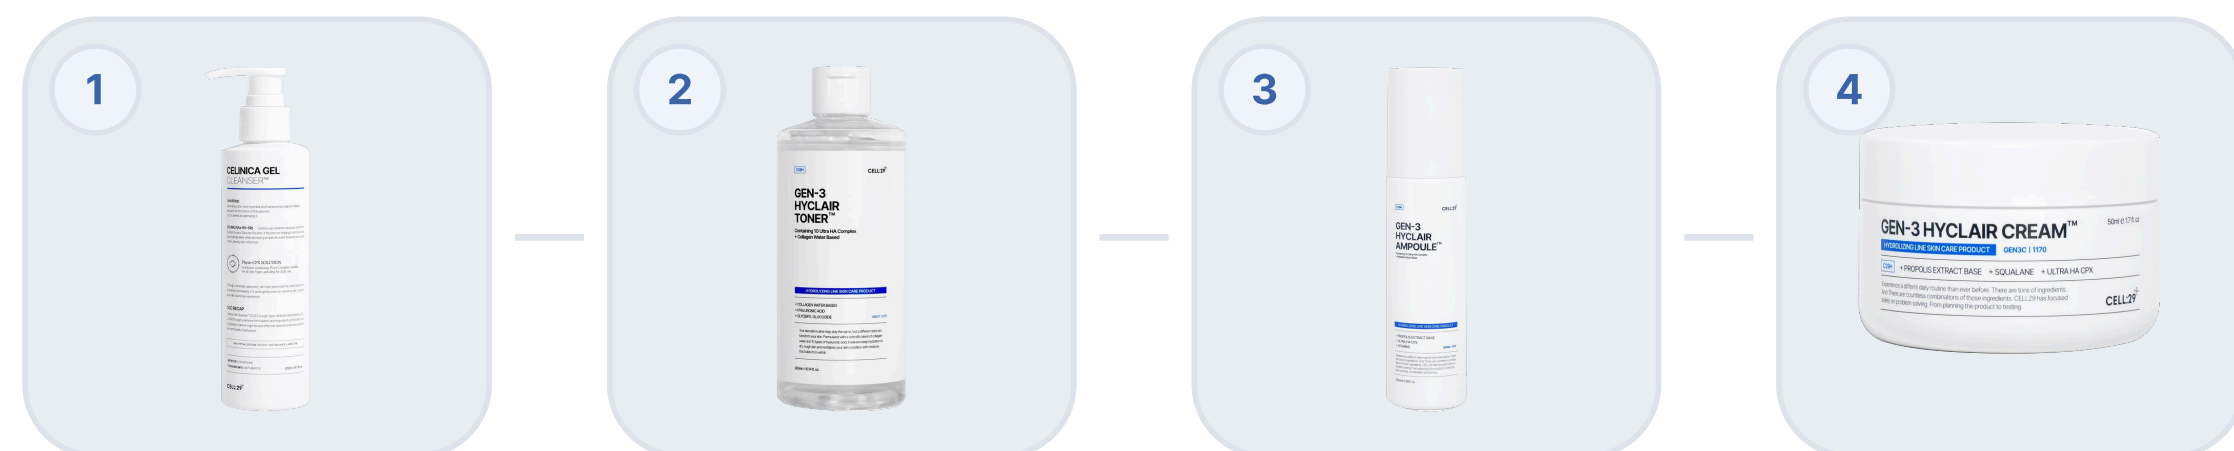

Hydration and barrier care with collagen water in place of purified water.

GEN-3 HYDRATION PROGRAM 1

Oil–Moisture Balance Care

For oily or unbalanced skin

Lightweight care to soothe skin and balance oil and moisture.

GEL CLEANSER

HYCLAIR TONER

HYCLAIR AMPOULE

HYCLAIR CREAM

HOW TO USE

- 01 Cleanse with **GEL CLEANSER**.
- 02 Apply **HYCLAIR TONER** evenly.
- 03 Apply **HYCLAIR AMPOULE** evenly.
- 04 Finish with **HYCLAIR CREAM**.

TIP HYCLAIR AMPOULE changes from a cream to an ampoule texture as you apply it, helping it absorb deeply.

GEN-3 HYDRATION PROGRAM 2

Deep Dryness Care

For dry, tight-feeling skin

Layer hydrating products, step by step.

HYCLAIR TONER

WTS CELLKEY SHOT

EXORECURE
AMPOULE

HYCLAIR CREAM

HOW TO USE

- 01 Apply **HYCLAIR TONER** evenly.
- 02 Apply **WTS CELLKEY SHOT** to your face, avoiding the eye area.
- 03 Apply **EXORECURE AMPOULE** evenly.
- 04 Finish with **HYCLAIR CREAM**.

TIP Use WTS CELLKEY SHOT 1–2 times a week. Avoid the eye area.

Cellasince Line

Vial boosters to complement your at-home routine.

CELLASINCE PROGRAM 1

Soothing Care

For sensitive skin in your everyday routine

A soothing routine with a targeted booster.

HOW TO USE

- 01 Apply **REJUVERA BOOSTER** evenly.
- 02 Apply **EXORECURE AMPOULE** evenly.
- 03 Finish with **RIVERFILL CREAM**.

TIP For post-procedure recovery, choose Regeneration Program 2. For everyday sensitivity, choose this program.

CELLASINCE PROGRAM 2

Firmness Care

For sagging and loss of firmness

Firmness care with a PDRN booster.

HOW TO USE

- 01 Apply **PDRNIX BOOSTER** evenly.
- 02 Apply **TENGDEW CREAM** evenly.
- 03 Finish with **PRECTECTIVE SUN-RECOVER**.

TIP PDRNIX BOOSTER, TENGDEW CREAM and PRETECTIVE SUN-RECOVER each contain 5,000 ppm PDRN.

CELLASINCE PROGRAM 3

Volume Care

For loss of volume and firmness

Volume and firmness care with a collagen-water booster.

HOW TO USE

- 01 Apply **HYCLAIR TONER** evenly.
- 02 Apply **COLLAREV BOOSTER** where needed.
- 03 Smooth **RIVERFILL CREAM** along your facial contours.

TIP COLLAREV BOOSTER has a 730,000 ppm collagen-water base.

Glass Skin Line

Bring professional glow care into your daily at-home routine.

GLASS SKIN PROGRAM 1

Rough Texture Care

For dry, rough-looking skin

A glow-enhancing routine for rough skin texture.

HOW TO USE

- 01 Apply **HYCLAIR TONER** evenly.
- 02 Use **PHYTOPEEL**, then **rinse with water**.
- 03 Reapply **HYCLAIR TONER**.
- 04 Apply a thin layer of **TENGDEW CREAM**.

TIP Rinse off PHYTOPEEL, then reapply HYCLAIR TONER.

GLASS SKIN PROGRAM 2

Makeup-Prep Care

For skin prone to makeup pilling or patchiness

Prepare a smooth base for makeup.

HOW TO USE

- 01 After cleansing, gently pat in **HYCLAIR TONER**.
- 02 Use **PHYTOPEEL**, then **rinse with water**.
- 03 Mix **EXORECURE AMPOULE** with **REPASIVE BLEMISH BALM**; apply 1–2 layers.

TIP Adjust the mixing ratio gradually to suit your skin tone.

Essential Usage Tips

Follow these tips with any program.

1

RIVERFILL CREAM

Apply at the cream step.
For initial post-procedure care, use **twice daily** morning and evening.

2
